Test Series Fee: Rs.6500/-

Registration Link: https://forms.gle/5YUb2SWTx6nXGrvw8   Payment UPI: **mathocrat@upi**

Note:

❖ Solutions of the tests will be provided

❖ Evaluation and feedback within 7 days of submission. If test is attempted as per the schedule by the student, evaluation will be even more quick.

❖ Papers will be as per UPSC CSE pattern [8 questions with their parts (attempt 5), 3 hours]

❖ Papers will be made available to the enrolled on the scheduled dates. Scanned copy of the answer sheet to be sent by the students to **Mathocrat@gmail.com**

❖ Students will be having option to postpone their tests; however, no test can be preponed. Moreover, all tests have to be attempted by 1st September, 2023 compulsorily.

❖ It is advised to attempt the tests as per above schedule for maximum benefit. Also, if one sticks to above schedule, s/he will be able to complete syllabus of math optional by or within fortnight of declaration of CSE prelims 2023 result.
