MATHEMATICS Crash Course

for **UPSC CSE MAINS 2024**

Class Start Date: 24th June, 2024

- Maths Optional revision through Questions with focus on PYQ themes
- Ideal course for the aspirants who have completed the syllabus at least once and looking for revision in time bound manner. (Aspirants who have not completed the syllabus even once should not join this course. For such aspirants, the foundation course is more beneficial)
- Access to live and recorded classes (Zoom Live Streaming and recording on the Mathocrat Portal)
- (The study material for this course will be only in pdf form)
- Duration: approximately 40 days (from **24th June 2024** to 15th August 2024)
- Duration of each class- 3 Hours, 5 days a week (if need arises classes may be held on Saturday & Sundays as well). If necessary, class duration may be adjusted to complete the syllabus on time.
- Classes can be attended at the offline centre of Mathocrat as well.

NOTES

- Students can attend the live classes through private live streaming on Zoom access of which will be provided to them. They can ask their doubts through LIVE Voice/Chat option.
- There will also be a Telegram Group for this purpose for addressing doubts if any
- If a student resort to spamming or useless comments in the LIVE Chat, his/her subscription to the course may be cancelled.
- The live streamed video can be viewed any number of times till Mains 2024 (30 Sept 2024).
- Classes may be extended for longer duration or two classes may be planned on the same day during the course if need arises.
- Fees once paid will not be refunded.
- Good internet speeds needed for running videos.
- The recordings of class work on Android, Windows, and Macbook but not on iPhone and iPad.
- Use Chrome Browser to watch class recordings for a better experience.
- Old Mathocrat students are eligible for 10% discount
